ELEGANT LUXURY DESIGN

## Simon|V8

***ELEGANT & LUXURY DESIGN***

Inspired by nature materials makes V8 unique. From bold and avant-garde frames to the most harmonious and traditional.

Thanks to the originality and quality of the pure materials which they are made with, there are multiple possibilities (rock, metal, glass or plastic). V8 transmits the strength and beauty of nature to any space.

## V8 Nature PRO

Innovative textures that give an exclusive touch to interiors that require sobriety and elegance

**Multiple choices of frame offer a luxury texture and different color combinations.**

## V8 Nature

Designed for spaces that need light and brightness. They combine perfectly with all decoration styles.

## V8 Classic

Elegance, The finishes are innovative and aesthetically attractive and give avant-garde interiors a technological feel.

## V8 Copper

Perfect harmony in spaces with retro style, lending them a feeling of chilling out.

## V8 Basic

The base of the collection, with a perfect balance and simplicity.

## ***NATURE PRO***

Simon creatively explored the application of rock, by applying the modern technology to this original material, we present V8 Nature Pro frame with a unique texture.

By applying the advanced technology, especially 15,000 tons pressing and 1200°C high temperature firing, also complicated processes such as cutting, drilling and grinding, it finally presents a unique appearance.

To create a nature atmosphere, to show a luxury design.

**V8 NATURE PRO**

*Original materials, merge into the space naturally.*

### ***V8 Nature***

Transparent and pure glass, showing a clean elegant design.

### ***Bigger frame***

A breakthrough of traditional size, 95mm frame represents a bigger frame of art.

### ***Nature material***

Using the glass as clean as jade and as strong as stone, V8 Nature is a perfect combination of western and eastern romantics.

***Last forever***

V8 classic adopted Austenite 304 stainless steel, which makes it shining, durable and highly resistant to corrosion.

***Modern style***

Using more than 30 procedures to ensure an exquisite surface, such as drawing, titanium plating, anti-fingerprint and so on.

***V8 Classic***

Classic metal element, light luxury choice for younger generation.
